## **Summary of Plan Services for Shareholders of Wyeth Common Stock**

### **Eligibility & Enrollment**

Almost everyone is eligible to enroll in *BuyDIRECT*. Interested investors may participate in the Plan if they already own Wyeth common shares or non-holders may make their initial purchase of shares directly through the Plan (see Page 13, “Additional Terms and Conditions,” for further information). If you have any questions or would like to receive an Enrollment Form and *BuyDIRECT* Plan brochure, simply contact The Bank of New York at the following toll-free number **1-800-565-2067** or visit our website at [www.stockbny.com](http://www.stockbny.com).

### **Easy, Full Investment Program**

Once enrolled in the Plan you can invest cash dividends when paid and make optional cash investments simply and conveniently. Optional cash investments can be made at any time. With *BuyDIRECT*, you have the advantage of having your cash fully invested because all shares, both full and fractional, are credited to your account and earn additional dividends when paid.

### **Deposit of Certificates**

If you already own Wyeth common shares in certificated form, you may deposit the certificates into your Plan account. The Bank of New York will credit these shares to your Plan account in book-entry form. This feature protects your shares against possible loss, theft or accidental destruction and may save you the expense of having to replace your certificates.

### **Convenient Ways To Sell or Transfer Your Shares**

Shares owned by you, whether in book-entry or certificated form, can be easily sold or transferred through the Plan. Transfers may be effected in book-entry or certificated form. You may instruct The Bank of New York to issue a certificate in your name for shares held in the Plan at any time.

### **Plan Costs**

The costs and fees associated with the Plan, including enrollment costs, administrative service fees and/or brokerage commissions, are set forth on page 15, “Costs to Participants.”

**Frequently Asked  
Questions and Answers  
for Shareholders of  
Wyeth Common Stock**

**HOW DO I ENROLL IN THE PLAN?**

Registered holders and other interested first-time investors can enroll in *BuyDIRECT* simply by completing, signing, and returning the Enrollment Form. Enrollment Forms and the Plan brochure can be obtained by contacting The Bank of New York (Plan Administrator) at the following toll-free number **1-800-565-2067** or by visiting our website at [www.stockbny.com](http://www.stockbny.com). Both existing holders and new investors must complete, sign, and return an Enrollment Form to The Bank of New York. There is a one-time Initial Enrollment Fee of \$10.00 for all non-registered holders to open a Plan account.

If shares are registered jointly or if the Plan account is to be registered in multiple names, all stockholders whose name the shares or Plan account is to be registered in must sign the Enrollment Form.

Once completed, the Enrollment Form and transaction instructions should be mailed to The Bank of New York (See page 10, "How do I Contact The Bank of New York?" for mailing instructions). Enrollment in the Plan is voluntary and may not be available to investors in certain countries. Participation in the Plan continues until terminated by you or by The Bank of New York.

**HOW CAN I PURCHASE ADDITIONAL SHARES?**

You can easily purchase additional shares at any time by making optional cash investments. Your optional cash investments, less applicable transaction fees and brokerage commissions, are used to purchase shares of Wyeth common stock for your account. No interest will be paid to investors on optional cash investments held by The Bank of New York pending investment.

You can make an optional cash investment when joining the Plan by enclosing a check with the Enrollment Form. Thereafter, all optional cash investments should be accompanied by the tear-off portion of your account statement or transaction advice.

For first-time share purchases by non-registered holders, the minimum initial investment amount is \$500.00. Participants will also incur transaction fees of \$5.00 plus \$0.05 per share purchased. When opening a Plan account, an investor must either transfer shares, or purchase shares for deposit, into a Participant account. Once becoming a Plan Participant, you may make additional optional cash investments in amounts of at least \$50.00. In

addition, Participants may elect to make automated monthly optional cash investments by Electronic Funds Transfer ("EFT"). If the "EFT" option is chosen, a minimum of \$50.00 will be deducted from the Participant's checking or savings account on the 25th day of each month, or if such date is not a business day, the deduction will be made on the preceding business day (see page 5, "Can I Make Automatic Monthly Investments?"). For each optional cash investment, Participants will incur transaction fees of \$2.00 plus \$0.05 per share purchased. The maximum investment amount per transaction is \$10,000.00 and the maximum annual aggregate investment is \$120,000.00 per calendar year.

Optional cash investments must be made either by EFT or check drawn on a US Bank, in US currency, payable to "The Bank of New York - Wyeth Plan". To make a payment by check, mail the tear-off portion of your account statement along with your check to The Bank of New York using the address indicated on page 10. **Cash, third party checks, money orders, travelers checks and checks not drawn on a US bank or not in US currency will not be accepted and will be returned to the sender.**

For optional cash investments, purchases are made at least once a week. Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day.

Purchases are usually made through a broker affiliated with The Bank of New York (the "Affiliated Broker"). The Affiliated Broker will receive brokerage commissions.

**In the event that a Participant's optional cash investment check or EFT is returned unpaid for any reason, the participant will be charged a \$35.00 return fee. Further, the Bank will immediately remove from the Participant's account shares that were purchased in anticipation of the collection of such funds. These shares will be sold to recover any uncollected funds and the return fee. If the net proceeds of the sale of such shares are insufficient to recover in full the uncollected amounts plus the return fee, the Bank reserves the right to sell such additional shares from any of the Participant's accounts maintained by the Bank as may be necessary to recover in full the uncollected balance plus the return fee. The sale of such shares may, in some cases, yield an amount greater than that required to recover in full the uncollected balance plus the return fee. If this occurs, only amounts in excess of \$1.00 will be remitted to the Participant.**

#### **CAN I MAKE AUTOMATED MONTHLY INVESTMENTS?**

Once enrolled in the Plan, Participants may contact The Bank of New York to arrange for automated monthly investments via Electronic Funds Transfer ("EFT"). EFT payments are deducted monthly from the Participant's designated account at any qualified financial institution that participates in the Automated Clearing House. Deductions are made on the 25th day of each month, or if such date is not a business day, the deduction will be made on the preceding business day. For each automated monthly investment, Participants will incur a transaction fee of \$2.00 plus \$0.05 per share purchased. Such payments are subject to a minimum optional cash investment of \$50.00 per transaction, a maximum investment of \$10,000.00 per transaction and a maximum annual investment of \$120,000.00 per calendar year.

It is the responsibility of the Plan Participant to immediately notify The Bank of New York of any changes in EFT information as it relates to the Plan Participant's authorized monthly deductions. Participants may call **1-800-565-2067** and request a new EFT Enrollment Form.

*Participants should be aware that the share price may fluctuate between the time your purchase request is received by The Bank of New York and the time purchase is made on the open market. The Bank of New York may, at its own discretion, accept written requests to revoke instructions.*

#### **CAN I INVEST MY DIVIDENDS?**

You may invest all or a portion of the cash dividends paid to you on your Wyeth common shares. Following your instructions on the Enrollment Form, the Bank will apply all or part of the cash dividend to the purchase of additional common shares. There are service fees of 5% of the investment amount with a maximum of \$3.00 per dividend payment, plus \$0.05 per share purchased. These fees include brokerage fees and commissions. Dividends are invested as promptly as practicable on or following the payable date. Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day. You may change your reinvestment option at any time by sending a new Enrollment Form to the Bank. Changes must be received by the Bank on or before the record date for that dividend.

Purchases are usually made through an Affiliated Broker. The Affiliated Broker will receive brokerage commissions.

#### **WHAT OPTIONS FOR DIVIDEND INVESTMENT ARE AVAILABLE?**

**A. "Full Dividend Investment."** If you elect this option, all your cash dividends on all shares now or subsequently registered in your name (including shares previously purchased for your account pursuant to the Plan) will be used to purchase additional shares.

**B. "Partial Dividend Investment."** If you elect this option, cash dividends on the number of shares which you designate in the appropriate space on the Enrollment Form, and all of the cash dividends on shares purchased thereafter for your account pursuant to the Plan will be used toward the purchase of additional shares.

#### **CAN I ELECT TO HAVE MY CASH DIVIDENDS WIRED TO MY BANK OR OTHER FINANCIAL INSTITUTION?**

If you elect to have all or a portion of your dividend paid in cash, this amount will be paid by check or can be wired directly to your bank account via EFT. In order to take advantage of this option your bank or financial institution must be a member of the Automated Clearing House ("ACH"). If you are interested in this option please call **1-800-565-2067** and request an ACH Fulfillment Kit.

#### **HOW ARE SHARES PURCHASED?**

The Bank aggregates all requests to purchase shares and then purchases the total shares on the open market on the exchange on which the shares are traded. The price per share cannot be determined prior to the purchase. The price per share purchased will reflect the per share transaction fee, and shall always be the average weighted price for all shares purchased for the Plan on the trade date or dates plus the per share transaction fee. Net dividend funds and optional cash investments from all Participants may be commingled to purchase shares. Purchases are usually made through an Affiliated Broker. The Affiliated Broker will receive brokerage commissions.

The Bank of New York will credit your account for all full and fractional shares (to four decimal places) purchased on your behalf. Purchases with respect to optional cash investments are made at least once a week. Purchases with respect to cash dividends are invested as promptly as practicable on or following the dividend payable date. In either case, depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day. The purchase price will not be known until the purchase is complete. A transaction advice will normally be mailed to you by first class mail within two (2) business days following the final trade settlement date showing the purchase price, transaction fees and brokerage commissions and the number of shares credited to your account.

If Wyeth pays a dividend, a summary account statement showing all year-to-date transactions will be mailed to you, as soon as practicable following each dividend payment date. If no dividends are paid by Wyeth, a summary account statement showing all year-to-date transaction activity will be mailed to you on an annual basis, usually in January, reflecting the preceding year's activity. You may also request a statement at any time by calling **1-800-565-2067** or you can view your account online directly from our website at [www.stockbny.com](http://www.stockbny.com). You should retain these statements for your records. For your convenience, statements and transaction advices have a tear-off portion which can be used to send instructions to The Bank of New York for the issuance of certificates, the sale or purchase of shares, the termination of participation in the Plan or the deposit of certificates (see page 11, "Terms and Conditions" and page 15, "Costs to Participants," for further information).

#### **DOES THE PLAN ALLOW DEPOSITING OF CERTIFICATES?**

If you own Wyeth common shares in certificated form, you may elect to deposit the share certificates into your Plan account with The Bank of New York. The Bank of New York will credit these shares to your Plan account in book-entry form. To deposit certificates, send them via registered mail, return receipt requested, to The Bank of New York along with either, at the time of enrollment, your completed, signed Enrollment Form or the tear-off portion of your account statement with your written instructions regarding the deposit. **Please do not sign the stock certificate.** We recommend that you insure the package for 2% of the value of the shares (see page 10, "How Do I Contact The Bank of New York," for mailing instructions and page 15, "Costs to Participants," for fees and costs associated with the deposit of certificates).

**HOW ARE SHARES SOLD?**

As with purchases, the Bank aggregates all requests to sell shares and then sells the total shares on the open market. Sales are usually made through an Affiliated Broker. The Affiliated Broker will receive brokerage commissions. Normally, the shares are sold on the exchange on which the common shares of Wyeth trade.

Sales are made at least once a week. Depending on the number of shares being sold and current trading volume in the shares, sales may be executed in multiple transactions and may be traded on more than one day. A check for the proceeds of the sale of shares less applicable taxes and transaction fees, will normally be mailed to you by first class mail within two (2) business days after the final trade settlement date.

*Participants should be aware that the share price may fluctuate between the time your sale request is received by the Bank and the time sale is made on the open market. The Bank may, at its own discretion, accept written requests to revoke instructions.*

**CAN I REQUEST A CERTIFICATE?**

You may request that The Bank of New York issue a certificate for some or all of the shares (whole shares only) held in your Plan account. Please note that fractional shares cannot be issued in certificate form. To have a certificate issued, simply complete, sign and return the tear-off portion of the account statement or call The Bank of New York. There is no fee for this service.

**HOW CAN I TRANSFER SHARES?**

Transfers can be made in book-entry or certificated form at any time. In order to transfer shares, you will need to complete a Transfer Instruction Package. Simply visit The Bank of New York's Stock Transfer website at [www.stockbny.com](http://www.stockbny.com) to download the form or call 1-800-565-2067 to request one. Remember you must obtain Medallion Guarantee for any transfer of shares.

A Medallion Guarantee insures that the individual signing the request for transfer is the owner or authorized representative. It can be obtained from financial institutions (including many banks and brokerage firms) participating in one or more of the Medallion Guarantee programs. Book-to-book transfers, which involve transferring shares from an existing Plan account to a new Plan account, should follow the steps listed below.

- Call The Bank of New York's toll-free telephone number **1-800-565-2067** to request a Plan brochure and Enrollment Form. Complete the form, providing the full registration name, address and social security number of each new Participant.
- The completed Enrollment Form should be sent along with a written request indicating the number of shares (full and fractional) which should be transferred to the new Participant's account. All existing Participants in the current Plan account should sign the instructions and their signatures should be Medallion Guaranteed as discussed above.
- Unless otherwise instructed on the Enrollment Form, the dividends for the shares in the new Participant's account will be automatically reinvested. A **BuyDIRECT** brochure and a confirmation advice of the transfer will be sent to new Participants.

**HOW CAN I TERMINATE MY PARTICIPATION IN THE PLAN?**

You may withdraw from the Plan at any time. To withdraw from the Plan, simply complete the tear-off portion of the account statement or transaction advice and mail it to The Bank of New York. Upon receipt of your instructions, a certificate for the full shares held in the Plan account will be issued and any fractional shares held in the Plan account will be sold. You will receive a check for the net proceeds (less applicable taxes and transaction fees) from the sale of any fractional shares.

**WHAT HAPPENS IF WYETH ANNOUNCES A RIGHTS OFFERING?**

In the event that Wyeth makes available to its shareholders any rights to subscribe for additional Common shares, the right to subscribe will be based on the total number of shares owned, both inside and outside the Plan. Any new shares distributed by Wyeth resulting from the exercise of the rights will be issued directly to the Participant.

**WHAT HAPPENS IF WYETH DEPARTMENT STORES, INC. ISSUES A DIVIDEND PAYABLE IN SHARES OR DECLARES A SHARE SPLIT?**

Any share dividends or split shares distributed by Wyeth on shares that are held in the Plan account will be added to the Participant's existing Plan account. This will include all whole and fractional shares. Any share dividends or split shares distributed on shares that are not held in the Plan account but are registered in the name of the Participant will be mailed directly to the Participant in the same manner as to holders of shares who are not participating in the Plan. Processing of buys, sells and transfers may be temporarily suspended during such distributions.

**WHO WILL VOTE THE SHARES HELD IN THE PLAN AT SHAREHOLDERS' MEETINGS?**

To the extent made available by Wyeth, Participants in the Plan will receive voting materials and have the sole right to vote the Common Shares of Wyeth represented by whole shares (fractions will not be included) purchased for such Participant which are held by The Bank of New York under the Plan on the record date for a vote. The Plan is administered by The Bank of New York (the "bank" or "the Plan Administrator").

The price per share purchased shall always be the average weighted price of all shares purchased for the Plan on that trade date or dates plus the per share transaction fee. Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day. The purchase price will not be known until the purchase is complete. For optional cash investments, purchases are made at least once a week.

Optional cash investments may be rejected by the Bank if a Participant imposes any restrictions with respect to the number of shares to be purchased, the price at which the shares are to be purchased or the timing of when the purchase is to be made. When Wyeth pays a dividend, the Bank, in accordance with your chosen dividend investment option will use all or part of the cash dividend to the purchase of additional common shares. Dividends and other cash distributions are paid in U.S. dollars and the dividend payable date is the date on which

shareholders are paid. Dividend purchases are invested as promptly as practicable following the dividend payable date and may be commingled with the optional cash investments on that trade date. There are transaction fees of 5% of the investment amount with a maximum of \$3.00 per dividend payment plus \$0.05 per share purchased. Shares purchased will be credited to each Participant's account in book-entry form (computed to four decimal places).
